

# S. PRIYADHARSHINI

AI & Web Developer | Passionate About Building Intelligent Digital Experiences

■ priyasiva160506@gmail.com | ■ LinkedIn: [www.linkedin.com/in/priyadharshini-ai](https://www.linkedin.com/in/priyadharshini-ai)

## PROFILE

Computer Science Engineering (AI) student with a passion for developing intelligent, user-friendly web and AI applications. Eager to explore AI-driven technologies, collaborate in dynamic teams, and apply technical knowledge to real-world projects.

## TECHNICAL SKILLS

Languages:	Python, HTML, CSS, JavaScript
AI Tools:	OpenCV, Data Science (Basics)
Web Tools:	Git, Figma, VS Code
Other Tools:	MS Office, Canva

## PROJECTS

**AI Chatbot (Python, OpenAI API)** – Developed an interactive chatbot capable of answering real-time user queries using AI.

**Portfolio Website (HTML, CSS, JavaScript)** – Built a personal portfolio website showcasing projects and skills with a modern responsive design.

**To-Do List Web App (JavaScript)** – Created a task manager app with add, delete, and completion tracking functionalities.

**Bus Tracking & Crowd Density Detection (Python, IoT Concepts)** – Designed a smart transportation system that tracks buses and estimates passenger density using sensors.

## EDUCATION

**Sathyabama University** – B.E. Computer Science (Artificial Intelligence) | 2023 – 2027  
Peniel Matric Hr. Sec. School – Higher Secondary | Completed 2023

## CERTIFICATES & INTERNSHIPS

- Web Design Internship – DLK Technologies (2024)
- Coursera – Introduction to Machine Learning (2025, In Progress)
